

BE *the* MATCH

How Can You Save A Life?

Only 8% of those on the national bone marrow registry are of Asian descent. Patients and donors must have matching tissue types, and these matches are found most often between people of the same ethnic group.

Register To Be a Donor

and help save a life during the week of :
November 4th - November 8th from 9:00AM - 3:00 PM,
a quick swab is all it takes. Find us in Red Square and the HUB.

Want To Know More

Wednesday, November 6th from 6-8PM in HUB 214
come join us in a social for free food, good company, and learn more about the philanthropy to be part of the registry.

Volunteer Orientation

Sunday, November 3rd 2-4:00PM, Savery 131

Lambda Phi Epsilon, alpha Kappa Delta Phi, and the Asian Student Commission are coming together for Lambda Phi Epsilon's annual philanthropy, the Be the Match registry.
